

## INTRODUCTION:

I'm so excited to begin this journey with you today! As you've already heard, this 6 week series was designed for those of us who may feel stuck from time to time in some area of our lives. We know that there's this place in God of success, but it feels like we just can't get the gears going. It seems like there's a barrier between us and the best version of our lives.

I want to invite you to take a deep dive into, what I think are, some of the ways in which we can get unstuck. All of us were created for the abundant life, and anything that's keeping you and I from living abundantly, is not God's will for us. So we ought to have a righteous indignation and determine that we're not going to continue to be stuck. For the next 6 weeks, you will take a journey with me as we discover what it truly means to be free.

To enhance this experience, we've created discussion "One Sheets" so that you and your friends can take this journey together in community. During my presentation, I encouraged you to find a few folks to connect with as you move through the material. Hopefully you've done that and you're reading through this together now. Each week you'll have a list of discussion questions that should spark robust dialogue about the presentation you just heard and develop a deeper bond between you and your companions.

Having said that, lets dive right in!

## DISCUSSION QUESTIONS

1. When you were a child, what did you want to be when you grew up?
2. Share with the group your favorite vacation destination. What about that place makes it your favorite?
3. If you were a super hero what would your name be, and what would be your super powers?
4. What is your dream job? Why?
5. If given endless resources to solve one problem in the world, what would it be?

6. Who are your heroes? Why?
7. Read Genesis 1:27-28. As you read this passage of scripture, what comes up for you?

### WEEKLY JOURNAL REFLECTION

Meditate on Psalms 24:1-10 and consider the vastness of God, His creation, and His authority. Spend some quiet time reflecting on the image of God and what it means to be created in that image. As you pray this week, ask God to reveal to you His desire for your life. Thank Him for where you are and open yourself up to receive all He has in store for you.
